In keeping with tradition, the King George Wine Society held its annual holiday gathering at the Oakcrest Winery on December 14th. Members delighted each other with their favorite dishes and cockamamie stories all while tasting a variety of wines throughout the evening.

Terri toasted Dottie and Conrad, thanking them for hosting us over many years and she also passed on Happy Holidays to all.

Just around the corner is an exciting introduction to bubbly. Did you think all bubbly (sparkling) are sweet. Aaaaah. They aren't. Join us January 11th to explore at least 3 country's sparkling wines. Guest presenter Hailey Lawrence will jump us into the new year with her Pop, Clink and Fizz presentation. You won't want to miss this event.

AWS has selected Napa Valley for the National Tasting Project.

Wines are often available through Market View Liquors. Once we learn more about the 2019 project, City Vino might also be able to help the presenter secure the wines. The NTP is a great way to get started with being a presenter as so much of the information is provided to you. Consider it and sign up!
