Getting Ready to Watch the Video

Let the Learning Begin!!!

Thank you to Terri and Mike Hyde who opened their home for our September 13th tasting where 29 members and 7 guests viewed the AWS education video on tasting wines, and participated in this year's National Tasting Project, Wines of Napa Valley, led by Jerry Gibson. We poured all whites blind while Jerry shared characteristics of the AVA districts. Attendees evaluated all of whites prior to moving on; there were definite surprises at the unveiling. After a quick conversation break, we continued on with more AVA district introductions as the reds were being poured. There was enormous amounts of concentration trying to determine what aromas were present and what the palette identified. Thank you to all of the attendees for respecting the practices of an NTP. A list of the wines will be provided to the chapter. The video is posted on the AWS site and the NTP presentation Jerry followed, can be viewed here: [NTP Presentation](#)
